

Seeking The Face of God

Prayer Guide

Week 41

The Reward of Seeking: Strength of the Lord

The eyes of the LORD search the whole earth in order to strengthen those whose hearts are fully committed to him.

2 Chronicles 16:9 (NLT)

Prayer Focus: What an amazing statement this is! The Lord says to us here that He is searching the earth, the whole earth in order to find those individuals whose hearts are fully committed to him. Those who have made the determination to seek His Face, whatever the cost, because they desire Him above all other things in this life. And why is God looking for those kinds of people? This verse says, “in order to strengthen ... “ them. Other translations use terms like, “to show himself strong on their behalf” To those who will seek the Face of God, and pursue Him with all their hearts, as we have described, God will be strong for them, and will strengthen them. One of the rewards of seeking the Face of God is that His very presence will give us the strength that we need to live for Him. In addition, associated with these words, is the promise that God will make His power available to us for the challenges of this life. He will give His supernatural power at work both within us, and externally at work to bring us victory. God goes about all the earth looking for people who will seek His face and determine in their hearts that they will be fully committed to seeking Him no matter what the cost. Are you one of those He is looking for?
