

# The Year of Sowing

## Prayer Guide

### Week 1

#### The Year of Sowing - Summary

*For God is the one who provides seed for the farmer and then bread to eat. In the same way, he will provide and increase your resources and then produce a great harvest of generosity in you.*

#### 2 Corinthians 9:10 (NLT)

**Prayer Focus:** The theme of prayer for this year is “A Year of Sowing.” In the coming months we will pray concerning our sowing as a servant - to be Useful to God, sowing in finances - expansion of the Kingdom of God, Sowing in the family - to live well and strengthen the Church, Sowing the gifts - for Building the Body of Christ, and Sowing in Honor - to be Honored by God. As we pray this year through these five areas of our lives, we open up the possibilities of great fruitfulness for our lives, for our families, for our churches, and the Kingdom of God worldwide. Just as with a farmer, if we sow little, we will reap little, if we sow generously, we will reap a generous harvest, and God will be glorified through our faithfulness. At this time, we are challenged to open our hearts and our minds to the promises of God to bless us if we are faithful even with the little we may have. This week begin to prepare your heart and mind to enter into a new level of sowing through your life in this New Year. Let us believe God together and see what He will do in and through our sowing in this next year.

**Day 1:** Take time today to thank God for these five areas of sowing, and His great promises to you.

**Day 2:** Ask the Lord to open your heart and mind to how He can use you to sow these seeds for His glory.

**Day 3:** Repent of the ways you may have limited God in the past, and determine to be obedient in this New Year.

**Day 4:** Pray that God will stir within you a great desire to sow in generosity in each of these five areas.

**Day 5:** Ask God to fill you with an expectancy for the harvest you will see as you faithfully sow the seeds in these next months.

**Day 6:** Pray that your church to be enthusiastic to sow seeds for the Kingdom of God.

**Day 7:** Pray for the revival and transformation that will happen as we are faithful to sow in each of these areas of our lives.

**Day 8:** Pray that the seeds you sow will have affect around the world for the glory of God’s Holy Name.
