

The Year of Harvest

Prayer Guide

Week 14

The Year of Harvest – Healing the Nations

Then the angel showed me a river with the water of life, clear as crystal, flowing from the throne of God and of the Lamb. It flowed down the center of the main street. On each side of the river grew a tree of life, bearing twelve crops of fruit, with a fresh crop each month. The leaves were used for medicine to heal the nations.

Revelation 22:1-2 (NLT)

Prayer Focus: Since the sin of Adam and Eve in the Garden, the nations of the world have been in turmoil and far from what is God's intention. This passage in Revelation and the description of the water flowing from the throne in Ezekiel 47:1-12 tell us that this water of life waters the tree of life whose leaves are for the healing of the nations. God's authority is the source of all healing, whether individual or national. These passages describe a day that is coming when all the nations of the world will be blessed and healed through the power of the tree of life. Although this is for a future time, there is a degree of this truth that can be applied to our world today. Through the lives of believers who are completely yielded to the power of God and who have the water of life flowing through them, transformation of nations is happening even in our day. Although not the complete healing that will take place in that future day, a degree of healing is happening through the life that flows from believers. Nations today like Uganda, Fiji and others are experiencing transformation of society through the power of this life from God. As Christians we are to be salt and light, like leaves from the tree of life to be influencers in our world. Yes, let us look forward and pray for that day when King Jesus will have His throne on the earth, and bring healing to the nations, but today, let us have the vision to believe God for the transformation of our cities, and our nations.

Day 1: Worship the Lord today for the coming time when the nations will be healed by the tree of life.

Day 2: Praise the Lord for the ways He is bringing transformation to nations through the lives of believers.

Day 3: Ask the Lord to give you a vision for the transformation of your city and your nation.

Day 4: Pray that God would use you as an agent of transformation as you carry the life of God to your world.

Day 5: Pray for your church to have a vision for the transformation of your city and nation.

Day 6: Pray that the churches in your city might work and pray together for the transformation of your city.

Day 7: Pray for missionaries around the world to be agents of transformation as they share the truth of the power of God to change lives.
